I understand that primary usage of the Internet in the East Orange School District is educational and I agree to the following:

- I will use the school Internet access only for educational purposes.
- I will use respectful, appropriate language at all times.
- In written and oral reports, I will give proper credit to all programs, books, articles, and data obtained from the Internet.
- I will respect the rights of copyright owners and will not reproduce any work protected by copyright.
- I will not try to gain unauthorized access to any computer or other system.
- I will never give out personal information such as my address or telephone number, send pictures that are personally identifiable, or agree to a personal encounter with someone I meet on line.
- I will promptly report any messages/communications that are inappropriate or make me feel uncomfortable to the teacher.
- I will not attempt to bypass or shut off the security measures on the school's computers or network.
- I will not share my username or password.

As the parent of guardian of this student, I have read and agree with the Student Internet Use Contract.

- I understand that this access is designed for educational purposes only.

In addition I recognize that any controversial material available from the Internet must be obtained by user request.
- I will support the district's Internet Acceptable Use Policy as posted on the district's website (www.eastorange.k12.nj.us) and reinforce it with my child (ren).
